God bless you,

My name is Mrs. Therese Nina, from Norway. please take your time to read this email. First, I am married to Mr. Patrick Nina, a gold merchant who owns a small gold mine in Austria; He died of cardiovascular disease in mid-March 2011. During his lifetime he deposited an amount of €8.5 million (Eight million, five hundred thousand euros) in a bank in Vienna, Austria. The money deposited came from the sale of the stock, death benefit and claims of my late husband through his company.

I am sending you this message and pray that it will reach you in good health, as I am not in a good state of health where I sleep every night without knowing if I am alive the next day. I have been suffering from cancer for a long time and currently I am partially suffering from a stroke which has made it almost impossible for me to move around. I have been married to my late husband for over 4 years before he passed away and unfortunately we do not have a child, my doctor confided that I am less likely to live. Knowing my health condition I decided to contact you to claim the fund as I am not in a relationship and I grew up in the orphanage.

I've decided to donate what I have to you to support "helping motherless babies/disadvantaged/widows" because I am dying and diagnosed with cancer about 2 years ago. I have been touched by God Almighty to donate what I inherited from my late husband to you for the good work of God Almighty. I have asked Almighty God to forgive me and I believe he has because He is a Merciful God. I will be having

surgery soon, so i told my doctor to help me write this email.

This is why I need your services to be my immediate family or executor to claim the money for charitable purposes. If this money is not claimed after my death, the bank executives or the government will regard the money as an unclaimed fund and perhaps use it for selfish and worthless ventures. I need a very honest person who can claim this money and use it for charitable works, for orphanages, widows and also building schools for less privileged that will be named after my late husband and my name; I need your urgent reply to know if you can carry out this project, and I will give you more information about how the fund will be transferred to your bank account.

Thank you,
Mrs. Therese Nina
